Standardizing report card writing days creates the opportunity for SD57 departments to offer professional development and in-service options for staff, for community childcare providers to offer daycare, and for SD57 to partner with more community organizations to offer day camps for students.

"We are happy to support parents and will do what we can to ease the burden of childcare." Said Rachael Weber, Chair, School District 57 Board of Trustees.

"We hope to see exciting new opportunities and programming for students come out of this plan." Said Pam Spooner, Acting Superintendent, School District No. 57. "Any opportunity for professional development is appreciated by our staff."
