That the Board of Education close Giscome Elementary School effective June 30, 2025.

The Board thanks the Giscome school community for their patience and input during this process. Our focus now turns to supporting the school community over the next few months as they prepare for the school closure and transition for the fall of 2025."

Effective for the 2025-26 school year the Giscome Elementary School catchment area will be included in the Blackburn Elementary School catchment.
